

Klear Gutter™

Guard Micromesh

REGISTERED 50-YEAR LIMITED WARRANTY

Klear Gutter Guard Micromesh

Material Warranty

GPI Gutter Products warrants to you the purchaser, that under normal sunlight, exposure to the weather, natural elements, and proper maintenance, the painted finish on Klear Gutter Guard Micromesh products will not peel, flake, chip, crack or blister for as long as the original registered purchaser lives at or owns the property described on the registration certificate and subject to the limitations set forth below.

Klear Gutter Guard Micromesh Performance Warranty

GPI Gutter Products warrants to you, the purchaser, that Klear Gutter Guard Micromesh will keep gutters from becoming clogged and overflowing as a result of the interior of the gutter and downspouts filling with debris such as leaves, twigs, needles, or seeds, subject to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this Warranty. Klear Gutter Guard Micromesh products are engineered to transfer all but inconsequential droplets of run-off water into the gutter when properly installed and maintained. It is the responsibility of the installing dealer to ensure that the Klear Gutter Guard Micromesh system is performing as designed and has been properly installed.

Conditions

For these warranties to apply it is required that your gutters first be thoroughly cleaned. Gutters must also be properly sloped, downspouts and underground drains must be cleared of any debris or obstructions and any downspout screens must be removed. All warranties will be null and void if the Klear Gutter Guard Micromesh system is not properly installed, as verified by GPI Gutter Products.

Exclusion to Warranties

These Warranties are granted to the initial retail purchaser and transferable with proof of transfer only and cover only the manufacturing defects as specified herein. Warranties cover manufacturing defects only, and they do not cover any other damage or material failure including, but not limited to, normal fading, damage caused by conditions beyond the control of the manufacturer, such as improper installation, settling of the building, failure of the structure (including foundations and walls), use of incompatible equipment, chemical pollutants, salt, fire, flood, ice dams, hail, lightning, windblown objects, earthquakes, hurricanes, atmospheric conditions or other catastrophic weather as defined by the U.S. Weather Bureau, other acts of God, intentional acts, unreasonable use or failure to provide reasonable maintenance. GPI Gutter Products does not warrant and will not be responsible for any costs, defects or damage with respect to the removal or re-installation of Klear Gutter Guard Micromesh products or components. The geographical location, the quality of the atmosphere and regions where hardwood tree tassels and/or pine resin are prevalent in excessive amounts, the top surface of the Klear Gutter Guard Micromesh system must be periodically maintained to continue performance excellence. Painting the specially coated Klear Gutter Guard Micromesh products will void the Warranty. This warranty only covers genuine Klear Gutter Guard Micromesh. It is your responsibility to verify that the product installed is Klear Gutter Guard Micromesh.

To Submit a Warranty Claim:

Claims for defects under this warranty must be sent to the installation company for service and resolution. Service calls for non-warranty repair or adjustment may result in a service charge.

To submit a claim, please provide the following:

1. A copy of the original warranty registration
2. Photographs to determine product authenticity
3. A description of the claimed defect
4. The date of the defect discovery
